BOOK WRITING

- **“Panduan Ujian dan Latihan Soal Profesi Pasar Modal”**. Published by PT. Elex Media Komputindo (Gramedia Group), Jakarta, 2003, and has been reprinted for 2nd edition in 2005. I wrote this book with my co-author. Basically it is a book on practice questions for competency examinations for Broker-Dealer Representative, Underwriter Representative, and Fund Manager Representative which is the basis for individual licenses applications in the respective disciplines.
- **“Real Tips, Real Money”**. Published by PT. Elex Media Komputindo (Gramedia Group), Jakarta, 2004, and has been reprinted for 2nd edition in 2005. I translate this book together with my co-author into Bahasa Indonesia with an exclusive right translation from the original authors Leong Chan Teik, Dr. Leong Tze Hian, and Dr. David Tai from Singapore. This book revolved around different stages of personal financial planning which include the aspects of investment planning.
- **“Menilai Harga Wajar Saham (Stock Valuation)”**. Published by PT. Elex Media Komputindo (Gramedia Group), Jakarta, March 2007. This book covered including how to value a stock using different valuation method such as Dividend Discount Model, Price to Earning Ratio, Price to Book Value Ratio, and using Capital Asset Pricing Model. Due to popular demand, the book has been reprinted for 8th edition in June 2010.
